

Obsolete ?

Not to us !

We continue to service Chattanooga equipment.

800-479-2987

As you may or may not be aware, there are some older, but still useful Chattanooga ultrasound and stimulator units that Chattanooga will no longer service or support.

Where do you turn? **“ERS, inc. Bio-medical “**
ERS has been repairing and calibrating Chattanooga equipment for over 15 years and will continue to do so.

If you have a unit that you can't seem to get fixed, call ERS. We will give you a free estimate as to what is wrong and the cost to fix it.

All of our repairs are guaranteed!

If you have any question or we can be of service in any way, Please pick up the phone and call us at 800-479-2987, we would be happy to assist you.
